NSFW - Oswald and Edward fuck each other with their canes at the same time.

askoswaldandedward answered:

“O-Oswald, too deep!”, Edward complains, trying to adjust to how far his husband has pushed the cane inside of him.

"You can never go too deep, Ed."

"Yes – yes you can!" To prove his point, Edward slowly pushes the heavily lubed cane in his hand deeper inside Oswald.

Oswald's body stiffens and his ass cheeks clench around the penetrating cane. "Ah!.... Ah!", Oswald screams, almost bloodcurdling. "You're right!.... You're right!.... Pull it out!"

"I fucking told you."

Both men remove the canes from their holes and they sit up in bed, gazing awkwardly at each other. Unsure if they can finish what's been started.

"I should start saying no to some of your bright ideas," Edward breaks the silence between them.

"You probably should, but we both know you're not going to do that."

Edward rolls his eyes and reaches for the remote control on the night stand.

"What are you doing?", Oswald asks, tipping his head to the right.

"Star Trek is on and that sounds a lot better than sex right now."

Oswald gawks at Edward flicking through the channels on the tv, then he looks down at the canes on the bed, then back up at Edward.

"You're right." He snuggles up under his husband and pulls the blanket over their naked bodies.

They lay in each other's arms, warm and comfortable in front of their tv, trying to forget about the pain in their asses.

Though the idea with the canes didn't work tonight, Oswald hasn't fully given up on it. He'll bring it back to light to Edward next week.
